Our Story

Rhonda and Lee are the mother and son
partnership behind Dodo's Delights.
We are passionate about good food
and good company and we hope you
find both here.

We have designed our menu as a blend
of the modern and the traditional.
We love doing the simple things well
and making sure we get it right.

We have always loved entertaining
people at our homes and have created
Dodo's Delights as an extension
of our own lounge rooms.

So please, make yourself at home.
